

# Synovus Accelerate Trade Pricing

Organizational charges for Accelerate™ Trade will be easy to understand and manage. Fees will be based on and assessed by transaction type to your commercial or business analyzed account. If your organizational account is non-analyzed, fees will be assessed via direct debit. Below are the associated service codes, descriptions, and related AFP codes.

*Please share this information with your organizational account owner or manager. Note, fees may not be offset by earnings credit.*
