

Real estate financing to put your vision in place.

Synovus bankers can tailor financing options that simplify the path to your company's next stage of success.

Even when your vision for growing your business is clear, getting there can appear complex at first. Whether you're buying your first or latest location or expanding or renovating your current space, we'll work with you to create a thoughtful plan, including::

- Terms up to 15 years^{1,2}
- Loan to value up to 85%
- Amortization up to 25 years
- Permanent and construction-to-permanent options

Our experts can even combine equipment financing with purchase and construction financing (as well as help refinance existing debt) to help get your new space ready for business.

BUILD ON A GREAT RELATIONSHIP

Take advantage of attractive fixed-rate pricing based on your banking relationship with Synovus.
